

TRADESMAN - JUMP-START YOUR CAREER!

To Be Successful in Today's Competitive Job Market Applicants Must Demonstrate UP-TO-DATE SKILLS

If you have worked within the areas of HVAC Installation and Maintenance, Facilities Maintenance, Construction or Solar Installation the Career Center of Lowell may be able to provide skill upgrades or certifications to help you land that next job.

Employers are seeking candidates with energy efficiency training and certifications including BPI, NATE, NABCEP, Construction Supervisor, Lead-Safe and RESNET/HERS.

Sign up today to meet with a staff member to learn more about Energy Efficiency Training or call Judy at 978.805.4704

107 Merrimack Street, Lowell, MA 01852
